

SHAKESPEARE ^{NORTH} PLAYHOUSE

SCHOOL PARTNERSHIP OFFER 2024/25

DEVELOPING CONFIDENCE, RESILIENCE AND CULTURAL CAPITAL

HI!

We warmly invite schools to explore Shakespeare North Playhouse, where we've developed a flexible partnership offer to make visits more accessible and rewarding for teachers and students alike.

Schools can select from three engagement packages, each tailored to meet different needs and aligned with Arts Council England's Quality Principles. As an Artsmark Partner, we're committed to providing high-quality creative experiences that support your school's improvement plans.

The details of our set packages are outlined in this booklet. Once you choose a package for your school, you'll automatically become a partner and enjoy all the benefits of our Partnership, including a 20% discount on any additional packages.

We also offer bespoke packages for schools looking for tailored activities that enrich and complement the curriculum throughout the year.

If you're interested in a custom package, please get in touch with us at Learning@shakespearenorthplayhouse.co.uk to discuss the options.

WHY BECOME A PARTNER?

Becoming a partner allows your school to access a broad network of industry professionals, as well as exclusive discounts, resources and workshops. Our partnership programme is open to any schools, but we offer our Knowsley schools a discount.

LOCAL DISCOUNTS

Schools in the Knowsley area receive a 20% discount on all packages, along with all other benefits.

20% OFF

All education partners receive a 20% discount on additional packages, workshops, and CPD sessions, as well as access to a special ticket price for performances in the Cockpit Theatre.

TRANSPORT DISCOUNTS

Educational partners can access a 20% discount with Maghull Coaches when booking transport to and from Shakespeare North Playhouse. This offer applies to visits to the Cockpit Theatre and any other school trips to our venue throughout the academic year.

VISIBILITY

We'll provide your school with an education partnership logo for your website and letterhead, along with a statement explaining the partnership and highlighting the value your school places on arts, culture, and creativity. This can be used in relation to Artsmark, Ofsted, and other initiatives.

ADDITIONAL OPPORTUNITIES

Throughout the year, we develop additional projects with our partner organisations that involve school engagement. These opportunities will only be offered to our partner schools.

THEATRE PACKAGE

Give your students and staff an unforgettable experience of world-class theatre.

The Theatre Package includes a class visit to a performance in our Cockpit Theatre for up to 36 people (33 students and 3 staff).

The Cockpit Theatre is a stunning 470-seat, timber-framed venue, modelled after a 17th-century Shakespearean theatre once found in Whitehall, London. Watching a performance in this intimate, historically significant space is a truly unique experience. Our productions bring Shakespeare's work to life in exciting ways, while also telling captivating stories inspired by The Bard.

"It was a wonderful introduction to Shakespeare, to the play and to your wonderful new theatre."
