

SHAKESPEARE NORTH

# BAR & KITCHEN

Welcome to Restoration London – all sparkle, scandal and showtime...

Inspired by our production ‘Nell Gwynne’  
(and Nell herself, the original orange-seller turned star), our menu brings zesty orange notes and bold flavours with a bit of bite.

We theme our menus to each production because food, like theatre, sets a scene and stirs emotion.

Join us to continue the story from stage to plate.
