PIPES AND POO

AN INTERACTIVE FAMILY GAME-SHOW ADVENTURE

Have you ever wondered what happens to a poo after you flush it down the loo? Bubbles and Spritz are here to help you find out!

Join us for a delightfully disgusting hands-on exploration of the extraordinary world of water, pipes, and poo. Can you help Bubbles win the golden crown? And what will we discover along the way?

A brand new interactive adventure for everyone who's ever done a poo. Featuring ridiculous dance moves, competitive flushing, real toilets, and edible poo. Don't try this at home!
